THE ROOTS OF ASBURY

During the winter of 1942, a need was felt by three local sisters from the Greencastle area to have a retirement home where community members could live their retirement years in a comfortable and safe living space that would also provide care giving services. Over the course of several years, this need turned into a vision of a community offering minimum essentials of comfortable living space, good meals and health care as needed in an environment that was secure and worry-free. Through perseverance, and the help of a small group of visionaries, Asbury Towers opened its doors in 1964. From the early sixties to today, Asbury Towers has grown into a continuing care retirement community consisting of 23 independent living condominiums, 58 residential independent/assisted living apartments, 48 licensed skilled beds plus a 13-bed Assisted Living memory care wing.

In our 53rd year of operation, we feel honored to continue to operate under the same vision of our founding sisters in that we exist to provide a safe, secure environment in which caring and compassion is a way of life. Along with staff, our community is a large family, and each member of our community shares in the privilege of being a considerate neighbor and a positive influence for each other. Staff are asked to carry out this mission throughout their workday and when recruiting for employees, we look for characteristics that are conducive to this culture:

- Nurturing and caring personality
- Good work ethic
- Leaders in the industry
- Professionalism
- Supportive, team players
- Solid skill set
- Shared vision
- Mentorship
- Fun and cheerful spirit
- Motivation

We believe in offering shift options to create a positive work/life balance that allow staff to work a schedule that positively affects their needs. We are pleased to offer various options of 4, 8, and 12-hour shifts plus a 16-hour weekend option. We are a 24/7 operation, and offer day, evening and night shifts, plus some positions require weekend hours to cover the needs of our community. In exchange, we generously offer:

- Staffing based on level of acuity
- Paid vacation and PTO/sick
- Competitive pay and various shift differentials
- Paid holidays and premium holiday pay
- Tuition reimbursement
- Support of continued education and career development
- Health insurance, plus dental, vision and life benefits
- Warm and friendly team environment
- 401k profit sharing
- Employee appreciation events & recognition
- Employee meal program
- Holiday appreciation gifts
- Flexible schedules

To learn more about us, we warmly invite you to swing by for a chat and tour of our community to determine if our environment is a perfect match for you!
